Mini HD Media Box

Details correct on: 16/11/2012

Notification	
Product Code	CDK-MMP001
Short Description	HDMI 1080P Media Player
Full Description	The Mini HD Media player can connect to your TV via HDMI, AV or YUV. This will then allow you to play media from external hard disks, flash drives and memory cards. You can watch movies, browse pictures or play music and it comes with a remote control for ease of use. The media player will play all common formats such as **MKV**(including new format with compressed headers), **AVI**, **XVID**, **DIVX**, **MPEG** etc giving more control over what you can watch.
